Dear Sir/Madam,

We would like to inform You that the Association of Multiethnic Cities of Southeast Europe - PHILIA has launched a call for proposals for its members on the subject: "Good practice examples of local self government's work with its citizens".

If You had any positive experiences in the previous period, You will be given a chance to present those experiences on the occasion of the next annual assembly of the Association PHILIA, which is to take place late this year in Brcko. Based on received descriptions of good practice examples, the jury will make a decision to select the most successful examples for PHILIA's publication issue. Also, most innovative ideas that contribute to stronger cooperation of civil society organizations and local self governments will be presented on other public meetings organized by PHILIA or attended by PHILIA in this country and abroad.

Descriptions of good practice examples can be sent via email to association@nscable.net or by land mail to:
